## SHE WORE AN ITSY-BITSY, TEENY-WEENY ORGANIC YELLOW BIKINI?

We all know it's time to GO GREEN but have you ever given a thought to how the clothes you are buying impact our environment? Small Axe Clothing has, offering up clothing made of organically grown fibers (cotton, hemp, etc) while still being fashionable and fabulous! Say goodbye to one-seam hemp dresses and fatal-to-the-figure hippy cuts. These vintage inspired, guilt-free clothes will let you go green, and still look good doing it.

Luau Boy Short Bikini available in two color combinations: Sun / Earth or Sea / Sky - \$92

Onesy Love one piece 3/4 sleeved with glass buttons available in two colors: Midnight or Clover - \$115

Order online at [www.SmallAxeClothing.com](http://www.SmallAxeClothing.com)

## CALIDORA SKINCARE

Calidora, Seattle's leading provider of comprehensive skincare comes to Los Angeles! Calidora Skin Clinic combines the best, most efficacious skincare treatments and products with the expertise of highly trained medical professionals and aestheticians to create a new standard for holistic, high-quality skin care. Starting this month Calidora will open three new locations— Glendale, Marina Del Rey, and Santa Monica.

Starting this month Calidora will open three new locations— Glendale, Marina Del Rey, and Santa Monica.

Clients begin their journey to more vibrant, healthy skin with the proprietary Calidora Skinplan™, a unique three-step skin analysis that begins with state-of-the-art photo imaging technology to assess the client's skin. The skin care experts then design a custom regimen of in-Clinic procedures and at-home maintenance tailored exclusively to the client's specific needs and skin type. Check out the Calidora Signature Custom Facial when you book your first appointment!

## CALIDORA SIGNATURE CUSTOM FACIAL

Calidora's facial treatments cleanse, exfoliate, treat and moisturize skin

according to your exact skin condition and type. Tailored to your exact skin type, our facial utilizes advanced skin therapies such as microcurrent, microdermabrasion, pure O2, light therapies and a glycolic or alpha beta chemical peel to achieve nourished, radiant skin.

For more information on treatments, products, and store openings in Los Angeles, go to: <http://www.calidora.com/>
